Gen II SureFit™ System Features:

- Under dash panel with built-in 4-lever controls.
- Electronic servo motor operation.
- Multi-speed blower fan speed adjustment.
- Dehumidified defrost.
- Floor exit heat/air.
- Mounts behind the dash.
- Compatible with our upgrade ProLine controls (See Page 48 for more info).
- Firewall plate for refrigerant and heater lines.
- Compatible with Ford or Chevy engines.
- Replacement molded glove box (reduced capacity).

Optional System Components

63156-LFE - Defrost duct - For both sides order two.

'53 F-100 dash shown with optional ProLine panel and louvers.

Under dash panel with louver package shown is available with or without control panel installed.

NOTES:

1. Some installations may require additional engine pulleys not included with kits. You must provide pulleys, V-belts, heater hose and refrigerant.
2. SureFit systems may interfere with some OEM radios or in-dash speakers.

TOTALLY COOLED GALLERY

Our long time Arizona distributor, SoCal, uses this neat little F-100 for shop duties. It runs a Ford Racing 460 with a stout B&M C-6 transmission, a Walton Fabrications frame with Heidt's IFS, and of course, a full Vintage Air SureFit climate control to tame those brutal Arizona summers!
